

ROAMERICA

ROAMERICA is an outdoor specialist in campervan rentals since 2015 and we have taken the last 4 years of input from rental customers into consideration when building out this vehicle. Our in-house builds are the perfect combination of camper van and every day use vehicle. Want to camp off the grid for the week, no problem. Need to drop your 3 kids off at school, no problem. Need to get a stack of lumber from the Depot, no problem. Meet the most versatile caper van on the market, without compromising quality or looks.
